On September 8, 2009, ASCAP filed its interim fee license proposal, which became fully briefed on October 23. In Ericsson's October 8 interim fee response and proposal, it argues in the first four lines at the top of page 3, and in the last four lines at the bottom of page 4 that it would be inappropriate for the Court to set an interim fee in this case. Accordingly, it is hereby

ORDERED that parties shall arrange a telephone conference by Thursday, November 19, 2009 to inform the Court whether they

consent to converting this motion for interim fees into a motion for a final determination of reasonable license fees.

SO ORDERED:

Dated: New York, New York
